RECEPTION AT THE BCC FOR MURAL BENEFACTORS AND VOLUNTEERS:

We will plan this for September at the Craft Center. This will be an opportunity to thank everyone for their participation in this project. Mary had suggested that we could use the postcards of the mural for invitations.

BENEFACTORS PLAQUE: Marian and Ann suggested that we use the same type of framing for this plaque as was used for the Horse project. We will need to decide how it is to be worded. Please have some ideas by the June 30th meeting. We should have it framed and hanging before the reception for the mural benefactors and volunteers.

FRAMED PRINTS OF MOSAIC MURAL: Betsy is taking care of this.
