## **A note from Brookfield Parks & Recreation**

With fields opening in the next week or so, we thought it appropriate to remind all residents of the following message.

I want to take this opportunity to reiterate that although injuries happen on the field of play, the most serious injuries are likely to happen in the parking lots and roadways around our Schools and Town Parks.

We are fortunate that all of our facilities have ample parking for existing programs. There is really no reason for allowing parents, spectators, buses or coaches to park in fire lanes or unauthorized areas where children can appear out of no-where (*in between cars*) as traffic continues around them.

Brookfield Police are prepared to ticket vehicles that are parked and/or standing idle in unauthorized areas.

To a safe spring season!

A handwritten signature in blue ink, appearing to read "Dennis DiPinto".

Dennis DiPinto, Director  
Brookfield Parks & Recreation
